Planning and Development Regulations 2001 (as amended) – Part 8
Application for Development of a New Brigade Mechanics Workshop at Ballygarraun South, Athenry, Co. Galway

A Chara,

Pursuant to the requirements of the above Regulations, Galway County Council proposes to carry out the development of a new Brigade Mechanics Workshop at Ballygarraun South, Athenry, Co. Galway.

Proposals include site clearance works, landscaping, parking, connections to existing services, and all associated site development works.

The proposed workshop to the rear of the existing Athenry Fire Station is exclusively for the maintenance and repair of Galway Fire & Rescue Service vehicles and is essential to the safe and effective operation of the service and the protection of the community.

We submit 2 no. copies of drawings, reports and particulars, together with the site notice, newspaper advert and document schedule.

Further information may be obtained from the undersigned at Galway Fire and Rescue Service, Galway County Council.

Is mise, le meas,

Gerry O Malley
Chief Fire Officer

On behalf of Galway County Council
