

Notes:

1. This drawing should be read in conjunction with all relevant documentation, drawings and standard details.
2. Conflicting information shown on the drawings or dimensions or discrepancies between the information given by the Employers Representative and that provided by others must be referred to the Employers Representative before works commence.
3. Do Not Scale - use figured dimensions only.
4. All Dimensions are in meters unless otherwise stated.
5. The location and depth of services to be checked on site by contractor prior to commencement of works.
6. All signs, road markings and road studs to be in accordance with the Traffic Signs Manual 2025.
7. All mounting heights of signs should be a minimum of 2.5m and all signs should be offset from carriageway by a minimum of 450mm.
8. Exact traffic sign locations to be agreed with employer's representative on site.
