**Re: Extension of Duniry Burial Ground.**

---

Dear Mr. O Loughlin

I write to confirm that I inspected the trial holes at the proposed site for extension at Duniry Burial Ground on the 24<sup>th</sup> June 2021 when I met with Mr Dave O Loughlin. I wish to confirm that this department has no objection to the extension of the burial ground on public health grounds.

Yours sincerely,

Maria Curran  
SENIOR ENVIRONMENTAL HEALTH OFFICER.
