Chapter 4: Rural Living and Development

Caibidil: Imleabhar 1 » Caibidil 4 Maireachtáil agus Forbairt
Tuaithe

Climate change is happening. The sea level is rising and flooding is becoming more common. Habitats along all of our coastline are under threat. Planning permission should be curbed close to the shore and also by rivers and lakes. In Cois Fharraige, pension funds and big business have become involved in purchasing houses and their adjoining lands built in scenic areas. Once a house is plonked in a scenic spot, the natural heritage is lost forever.
