

Marked on Map below is "OPT – DU3" area inside blue marking is circa 1.06ha.

Proposed Opportunity

To provide for a mix of uses capable of accommodating retail and or commercial development. The overall development proposal must address the street frontage where the prominent use of land changes from residential to commercial. Innovative, high quality building design and appropriate layouts taking into account the location and setting of subject lands. A mix of commercial and residential uses or a mews type development may be appropriate here.

**Propose New Zoned
Area inside blue
marking to be
